

PREMIUM LOCAL BEEF PRICE SHEET

CUSTOM BULK ORDERS

Note: Bulk beef is sold on the hanging weight of the beef. This is the weight of the beef before it has been cut. Approximately 25% of the weight of a hanging beef is lost during in the butchering process. The price per lb includes the processing and delivery of the beef. The beef can be cut to your specifications. Please talk with Luke Petersen to discuss specifics and to arrange custom orders.

	Approx. hanging weight	Price per lb hanging	Total Cost	Approx. final weight (what you put in your freezer)	Total cost per lb.
½ Beef	350 lbs	\$2.5	\$962.50	262 lbs	\$3.33
¼ Beef	175 lbs	\$2.75	\$481.25	131	\$3.67

FAMILY PACK BOX

The family pack box is meant for families that have limited freezer space but still want to enjoy naturally raised, fresh, and local beef. The family pack typically includes about 35 lbs of meat and each box is weighed separately to reflect the actual contents. For this reason, the price typically ranges \$10 or so around \$160. Please see the table below for the approximate contents of a typical family pack.

Cut	Quantity	Price/lb	Lbs	Total
