LET'S GO OUTDOORS!

THE WEST SIDE YMCA PRESENTS FAMILY OUTDOOR FUN

This new West Side YMCA program provides families time to be together, be outside and be active while exploring the wild side of Central Park. Through age-appropriate activities, children will learn about living things that call New York City home and the challenges they face as the seasons change.

The youngest group age children require an accompanying adult. The program is FREE, but requires registration. The group will meet Andrew Snyder, our in-house nature enthusiast, in the lobby of the West Side YMCA. In case of inclement weather, activities will be held inside.

Check out a free demo at the Jan. 29 Open House! See membership for details.
