School Readiness Programs available:

Music & Movement: In this program children will sing songs with hand and body motions, explore various musical instruments, learn fun yoga stretches, and participate in group marching and dancing. This is one combined class for children birth to 5 years old.

Totally Toddler Time: This is a program designed for toddlers to give them time to explore their world through parallel and cooperative play with activities appropriate for their developmental age. During this class toddlers are introduced to circle time where stories are read, songs are sung, and friendships are developed.

Play & Learn: This structured playgroup program is designed to prepare children for Kindergarten. Routine is established and activities are planned to enhance developmental growth and encourage the enjoyment of learning. Children birth to 5 years old are welcome!

The Wonder Bus – Operated by First 5 Del Norte, The Wonder Bus is a mobile lending library offering School Readiness Programs and activities throughout Del Norte County. Look for the Wonder Bus stops nearest you and come on with your children to borrow a book, create a craft, play games, and make new friends.

Baby Signs Curriculum
Learn to communicate with your baby before he/she can talk!
Signing with young children supports the development of early literacy skills, reduces tantrums through those “terrible twos”, and brings children and caregivers closer together. Give your baby a jump start down the learning path to communication by learning to sign using the “Signing Times” CD’s, books and videos, available for onsite use at the First 5 Family Resource Center.

First 5 Family Resource Center
494 Pacific Ave, Crescent City
707.464.0955
Monday: 1pm - 5pm
Tuesday through Friday: 9am-5 pm
