

VOLUNTEER ORIENTATION FAQ

Is Volunteer Orientation required?

Yes, you must attend before you begin volunteering with SGV Habitat. If you are a returning volunteer and it has been more than a year since the last time you served with us, it is strongly recommended that you attend orientation as a refresher course.

When is the next orientation?

Orientations are always held on the second Tuesday of each month at 7pm.

How can I sign up?

Please register with [VolunteerUP](#). Once you've completed registration, click on the posted date under the column labeled "Orientation" — we're only able to post one or two dates at a time, so if you'd like to sign up for a later date, please contact the Volunteer Coordinator.

What time should I arrive?

Please arrive no earlier than 6:50pm (and, of course, no later than 7:00pm).

How long does it run?

Orientation usually lasts about an hour to an hour and fifteen minutes, and staff members will be available afterwards to answer one-on-one questions.

Where will it be held?

Orientations are held in the conference room of our office, located at 400 South Irwindale Avenue in Azusa -- just off of the 210 freeway. We are on the southeast corner of Irwindale and Roosevelt, about a block north of Gladstone; you can park along the street and enter on Roosevelt Street.

Do I need to bring anything?

Just a pen or pencil to write with!

Can I invite other people to attend?

Of course! If it is possible, please notify the Volunteer Coordinator of approximately how many people will be attending if it is more than 3.

I am volunteering with a group; does every member have to attend?

If you are volunteering with a group, you have four options — just let the Volunteer Coordinator know your preference:

1. Your entire group can attend as long as it is less than 20 members
2. One or two representative(s) can attend and bring back the information and paperwork to the rest of the group
3. We can arrange a meeting at another date and time to go over the contents of orientation with one or two representative(s)
4. We can arrange to have a staff member go to your location at a time and date of your choice for a personalized orientation to the entire group
