## **Become A CASA....Make a Difference!**

*Jodi lived in seven foster homes as a teenager. She says her mother loved her, but struggled with drug addiction and couldn't manage to get her children to school in the morning, clean the house or keep track of appointments. Now 21, Jodi said one of the most stabilizing influences during this turbulent time was Ted, her CASA.*

*Nationally thousands of volunteers have been trained to represent neglected and/or abused children in courtrooms as Court Appointed Special Advocates. CASAs often find their roles reach beyond the courtroom as they continue to advocate for the children with doctors, school officials and social workers. "It was just nice to have someone around for me," Jodi said.*

*Ted, her CASA, said it best: "The basic premise is that we are there to look out for the child's best interest, whatever that might be. We are in contact with their parents, their foster homes, their schools, anyplace where we might be able to help them".*

\*\*\*

Today, in Saginaw County, there are 300 kids in foster care that would benefit from a CASA. Last year, the CAN Council Saginaw County program was able to advocate for 159 children—that leaves too many children to fend for themselves.

As part of our expansion plans and with the help of two National CASA grants, in this past year we were able to reach out to our community and recruit 31 new CASA volunteers! To meet National CASA's accreditation standards, we needed to hire a full-time CASA Supervisor to assist these volunteers. We were fortunate to welcome Brandi Hawley to our CASA team (see page 3). Congratulations and welcome to these new CASA volunteers:

CAN Talk is a quarterly publication of the CAN Council Saginaw County, 1311 N. Michigan Ave., Saginaw, MI 48602, and is distributed as a complimentary service to supporters and other professionals.

In thinking about this simple, yet powerful quote, our responsibility for the future is—our children! As a CAN Council supporter, you know that our programs and services are dedicated to stopping child abuse and neglect in our community. In order to accomplish our mission—we need you!

During this time of great change in Saginaw and Michigan, each of us has the opportunity to be a part of this transformation. I believe that there is no better way to improve our community then investing our precious resources (time and treasure) in a mission you believe in 100%! There are a number of ways to invest:

- Check out our website ([www.cancouncil.org](http://www.cancouncil.org)) to learn about volunteering!
- Follow the CAN Council on Facebook and Twitter to learn about the latest developments in Saginaw County!
- Make a gift today (direct, donate on-line or deferred) to support our efforts to prevent children from abuse and neglect!
- Stay committed to making Saginaw and Michigan a great place for our children and families!

If you are interested in another way that you can be the change for our children, please call 989-752-7226. We look forward to talking with you!

Together we CAN,

## ■ CASA PROGRAM UPDATES

**Castaways Bar and Grill** in Bay City hosted the 1st Annual CASA

Chicken Dinner Fundraiser on May 22. It turned out to be a beautiful day with a great turnout. We enjoyed delicious chicken and sides. Thanks to Cindy Rogers for organizing the fundraiser and her sister Laurie for donating Castaways as the location and all the sides. Many sponsors stepped forward to insure this event was successful including Timothy Bierlein, Jake Ebenhoeh, Ronald Wirth, Cathy Tafel (Tafel Insurance Agency), Dr. Joel Robertson (Robertson Technologies), Kim and Bruce Weiss (Pyramid Paving), and Pinnacle Professional Services. We would also like to thank the CASA Committee for supporting and donating to the fundraiser along with a big thanks to WHNN and WILZ for helping us to spread the word!

## GETTING READY FOR CHRISTMAS!

The **Saginaw Circuit Court Probation Officers** presented a donation of \$190 to CASA that will be used for the CASA children's Christmas/Holiday celebration in December. Probation officers were encouraged to donate money for their casual work day. Thank you for your generous donation!

**Taylor Ray**, a graduating senior from Swan Valley High School, chose the topic of child abuse and neglect to research and present as her senior project. She also organized a fundraiser by

selling rubber wrist bands to help raise awareness during April, which is Child Abuse and Neglect Prevention Month. Taylor chose CASA and presented us with a check for \$352.87 that will be used for the CASA children's Christmas/Holiday celebration.

In April, **Brandi Hawley** was hired as the new CASA Supervisor. She was sworn in as a CASA volunteer November 2008. She received a Bachelor Degree from Central Michigan University, May 2010 with a major in Psychology and minor in Child Development. Brandi has brought enthusiasm and a positive attitude to the CASA team! She has provided the CASA program with the ability to continue growing to serve the children in need in Saginaw County. Brandi hired into her new position coming off a maternity leave after her daughter Gabriella was born. Welcome!

## ■ CAC PROGRAM UPDATES

The CAC's new colposcope, purchased with a grant received through the National Children's Alliance (NCA) is now in operation. The old colposcope, which was purchased in 1999, was still working but had outdated means of storage. It still utilized the old three inch floppy and had no USB ports! It is a requirement through the National Children's Alliance (NCA), CAC's national accreditor, to participate in a peer review process of medical examinations via the internet, which was impossible with the old set up. Welcome to the 21st Century CAC and thanks for continuing to meet national standards by reducing the trauma to the children we serve.

**Danielle Lesko**, the CAC's Care Coordinator, graduated from Michigan State this spring with her Master's degree in Social Work. She is now working full time with our CAC assisting the child and non-offending family members of children suspected of being abused. Congratulations Danielle! The CAC is ecstatic to have Danielle working with them full time!

## Parent's Corner

### SEXTING

It is one of the fastest growing areas among our youth and the area with the least known consequences.

Do you know what the outcomes of sexting can be? Does your tween or teen?

CAN Council offers a one hour SEXTING presentation that addresses not only the legal penalties, but the social embarrassments as well. Once a sext is out there...who knows where it will go!

Numerous students have already participated in the SEXTING presentation and learned the possible outcomes of sexting.

For More Information:  
Contact CAN Council at  
752-7226  
to arrange a no-cost presentation geared for teenagers but of course, parents are always welcome to join in as well!

# CAPE PROGRAM UPDATES

**Rhoda Dietrich** accepted the position as our new Prevention Education Specialist. Rhoda brings many years of experience in teaching others about abuse and what to look for while she was working at Department of Human Services. Her presentations include: Sexting, What You Don't Know Could Hurt Your Child, For Kid's Sake-Mandated Reporting, and SOS-Safer, Older, Smarter. If you are interested in any of these presentations, please call Tammie Meyer to schedule them at 989-752-7226.

On June 14<sup>th</sup>, we had a great day for the **Chalk It Up...To Investing in Children!** Event. CAN Council, in collaboration with Great Start Collaborative, celebrated a day of bringing attention to investing in our children by drawing and writing sayings on the sidewalks of local businesses.

**Danelle Elliott**, our Education Program Assistant, had a baby boy, Brady Quentin Elliot on 5/13/2011. He weighed 9lbs, 8oz and was 20 inches long. Mom and baby are doing great!! Welcome to our family Brady!

**NEW SERVER INSTALLED!**

The staff of the CAN Council is extremely grateful to the Andersen Foundation for providing the funds for us to purchase a new computer server system. This system has greatly increased the speed with which our computers interact, access and store data. We are proud that the community supports the needs of the staff so that they in turn, can provide the best possible services to the children who need them.

**2010 ANNUAL REPORT**

You can now see the annual report on our webpage. Check out [www.cancouncil.org/resources](http://www.cancouncil.org/resources) and follow the links.

Many exciting developments began in 2010, and continue to grow in 2011. We expanded our Education Programs and are working in collaboration with our Great Start Collaborative to implement the Great Start University parenting education system.

Our Children's Advocacy Center (CAC) now has a trained Diplomat Child Forensic Interviewer (DCFI) and our Court Appointed Special Advocate (CASA) department has recruited new volunteers and now has 61 active CASA volunteers currently helping our foster kids.

Thanks for your support!

**UPDATING OUR VOLUNTEER FILES!**

Do we have all of your correct information? We are currently updating our volunteer files and we noticed that we do not have everyone's information updated with cell phone numbers, e-mail addresses and a current background check. We will be mailing out letters to those of you whose information is still needed. If you receive one of these letters, please fill out all pages of the packet and return in the self-addressed envelope provided. Thanks for all you do in keeping our children safe!

# 13th ANNUAL CHILDREN'S ADVOCACY CENTER GOLF OUTING

Great weather greeted a nearly sold out golf scramble on June 17th! Combining some great (and some 'not so great, but fun') golf together with good food, door prizes, and contests provided a full day of fun. Art Lewis of WSGW presided over the program and live auction in the afternoon. Golfers, auction buyers, and sponsors combined to raise over \$26,000 using teamwork to make a difference in the lives of abused children! A special thank you to all golfers, Swan Valley Golf Course, the golf committee and these sponsors for their support:

"Being a Voice for Michigan Children" was this year's theme for the kick-off event for the Child Abuse Prevention Month held on the steps of the State Capital.

With a bus provided by the Children's Trust Fund, 18 volunteers, CAN supporters and staff took part in a rally, procession and planting of a pinwheel garden to show support for child abuse prevention programs in the state.

Locally, community partners along Michigan Avenue showed their support with blue ribbons tied to trees in front of their business. Business partners sold pinwheels to raise funds and provide a prevention message of what one person can do to stop child abuse. Long time supporters, St. Matthews Episcopal Church members collected monetary donations and items through the "Fill A VAN for CAN" program.

New this year, the "For the Children" event was hosted by First Congregation Church as a celebration of CAP Month activities. Reverend Dr. Todd Farley provided a visual theatre interpretation of Shel Silverstein's "The Giving Tree" read by Drewe Robinson, CAN Board Chair. Adding to the event were a vocal presentation from David Brown, SASA student; piano selections performed by Catherine and Hannah Hart and lunch provided by Subway and the Women's Fellowship.

Thank you to all who supported Child Abuse Prevention Month!

**LEAVE A LEGACY THROUGH PLANNED GIVING**

You can insure that the CAN Council continues to provide services to thousands of children and adults for generations to come by considering a 'planned gift'.

*Why consider a planned gift?*

- Bequest gifts avoid estate tax
- You retain control while competent prior to death
- Easy to complete through Will or Trust changes

*It's easy to get started:*

- Make sure your will or living trust is up-to-date and reflects your charitable objectives
- Contact your financial planner, lawyer or accountant and ask for help
- Saginaw Community Foundation staff can help you select your best option
- Think beyond cash—you can give stocks, real estate, insurance policies, or personal property

*Assets that could be detrimental to heirs but beneficial to a charity:*

- Savings bonds
- Annuity Contracts
- Retirement Assets like IRA, 401(k)
- Assets that have income tax associated with them

*A gift that keeps on giving—After 25 years, a \$75,000 gift to the CAN Council Endowment fund produces:*

- More than \$500,000 in distributions for our mission
- Investments valued at more than \$533,000
- Impact is more than 7 times the original gift
- The gift continues to give to the CAN Council through the endowment's annual payout in perpetuity!
