

Calais Engineering Works – 14 to 17 February 2012

Due to essential engineering works taking place in the Calais area, there will be some amendments to our timetable from Tuesday 14 to Friday 17 February 2012.

London to Paris - changes to **departure** times:

Train no.	Original departure time	New departure time	Difference in departure times
9018	10:24	10:28	+4 min. No Ebbsfleet stop
9034	15:01	14:52	-9 minutes
9038	16:01	15:51	-10 minutes
9040	16:22	16:07	St Pancras -15 minutes Ashford -3 minutes

The above changes have been updated on the Eurostar Reservation System (ERS), however customers holding a ticket issued prior to the system update on Tuesday 31 January will still be able to check-in through the ticket gates as normal. All these customers are being contacted and advised of the changes.

London to Paris - changes to **arrival** times:

Train no.	Original arrival time	New arrival time	Difference in departure times
