Teachers: Maria & Gabriel

Maria & Gabriel

Maria has over ten years experience as a dancer, and is one of Sharon's original students. Known as the spinning queen and the lightest follow in Melbourne, it's no wonder Maria is so sought after as a teacher in Melbourne. She is excellent at breaking down salsa technique, explaining spinning/spotting, along with excellence in her choreography and musical interpretation.

Gabriel started at Spin City in 2007, and since then has been one of our leading male performers and instructors. Gab's excellent technique, tight turn patterns and ability to clearly break down salsa techniques makes him one of Melbourne's best dancers and instructors, representing SCD at many events nationally and internationally. This new choreo is not to be missed!
