

GET YOUR GRIT™ TOGETHER

This is not for the faint of heart-

this is for people who want to get results!

Maybe not exactly like John Wayne did in *True Grit*, but with **GRIT™**

In today's workplace, we need tough characters, with
GENEROSITY, RESPECT, INTEGRITY, AND TRUTH.

It's what's missing at work – and in life!

"Across all industries, no matter what size or generation -we're all being forced to do more with less. Stop waiting around, hoping for a quick fix. We're not getting more resources, the situation isn't going to fix itself, and nobody's coming to bail you out!"

**Motivational Speaking, Leadership Development, Jeep Retreats, and
company-wide behavior alignment programs.**

In this dynamic and engaging session, Joslin helps us discover how to get our **GRIT™** together and create the foundation we need to transform our workplace into a productive and enjoyable environment; a place where people:

- Get more done
- Respect each other
- Inspire creativity
- Trust and communicate openly

As a middle child of fourteen, Laurie Joslin learned early on the importance of communication -- a lesson that led her to a degree in Communications. While climbing the corporate ladder, she soon realized that something was missing. Determined to bring to the workplace what it had been lacking for so long, Laurie founded Unlimited Coaching Solutions, Inc. in 1999, and has been catalyzing change in organizations, across all industries, nation-wide, ever since!
