Floriade Festival 2012

Holland only hosts Floriade once every decade, and 2012 is the ideal opportunity to visit this world-class exhibition which showcases and celebrates the very best in horticulture and floral displays. It's a must-see event for garden enthusiasts.

The ideal way to enjoy Floriade is to take a river cruise – a fully escorted trip which, as well as visiting Floriade's home in Venlo, includes Amsterdam, Roermond and Delft too. Let the tastefully furnished ship take the strain as you sip cocktails and watch the countryside go by!
