

Builders' Insurance Blueprint

...We've got you covered from start to finish.

Group Automobile and Residential Insurance Program

This program is available to all Homebuilders, their employees, spouses and dependent children. This Program also extends to your customers - the individuals who purchase the homes that you build.

Builders' Insurance Blueprint Benefits

Benefits to you - the Employer/Homebuilder

- Enhances the benefit package you currently offer to your employees
- Premium savings realized from competitive group discounted rates – Increases employee satisfaction and employee retention.
- Program is strictly voluntary with no minimum participation requirement
- No cost Benefit – no hidden fees – Your employees deal directly with HUB International, your Program Administrator.
- Solid, reputable, financially stable insurance companies underwrite your Program
- Your customers will enjoy “employee pricing” when they purchase their home insurance under your Program. They will have access to the same great group discounted rates that are available to you and your employees.

Benefits to Your Employees/Customers

- Competitive Group Discounted rates
- Broad selection of products and coverages
- Convenient payment plans options with no service charges
- Single point of contact –employees deal directly with HUB International for new quotes, renewal policy changes and claims reporting.
- Not call centre- employees will deal with dedicated, experienced, knowledgeable, licensed client representatives.
- 24/7 emergency claims reporting available
- Claims advocacy – our employees work for you ... not the Insurance Company and can intervene on your behalf if the need arises.

One Stop Shopping – HUB International Phoenix Insurance Brokers is a full service Independent Broker with a full scope of insurance products available to their clients. Products offered include protection for Commercial Risks, Surety, and Life, Health, and Disability exposures, in addition to both Personal and Group Automobile & Residential Insurance Programs.
