Israel, Democracy and the Struggle for Social Values

Sokatch is the CEO of the New Israel Fund headed by Naomi Chazan, which has been the subject of controversy in our community and internationally. In recognition of his leadership, Sokatch has thrice been named one of the Forward newspaper's 50 leading Jewish decision makers and opinion shapers in 2002, 2005 and 2008.

While Shira does not endorse any political platform, it supports critical engagement with people doing the work of social justice.
