Be uplifted by the colourful radiant vibrations of these two ancient cultures. Allow yourself to rejoice in the fragrances, tastes, vistas, sensuality and sounds of this extraordinary tour and experience it with all your senses.

Transcend these and go beyond your imagination on this lifetime's journey into Light... ILLUMINATION!!!

And the Light begins to shine in Greece. Our journey begins in ATHENS, visiting classic sights such as the Acropolis and the Temple of Zeus. We then make our way to the mystical and ancient temple of DELPHI. Receive Divine guidance from the Oracle before setting sail to the magnificent and breathtaking Greek islands. Enjoy sun filled days on the Mediterranean as we sail to MYKONOS, SANTORINI and RHODES. Explore the many secluded beaches, get lost in the maze of whitewashed side streets in Mykonos town, enjoy the romance, serenity and awe-inspiring beauty of Santorini... and the magical delights of Rhodes...

The Light continues to brighten as we sail to Turkey to explore the beauty and majesty of the coastal towns of MARMARIS, BODRUM and KUSADASI. Walk, swim, relax and enjoy the diversity of these charming and vibrant towns. Tour the magnificent archaeological site of EPHEBUS and walk in the healing thermal waters of the white terraces of PAMUKKALE. Finally we fly to the incredible city of ISTANBUL, a city rich in history and modern flamboyance. We visit Sultanahmet and its ancient treasures as well as the cosmopolitan and elegant part of this incredible city. Our Illumination tour ends in Istanbul.

Our daily yoga practice will strengthen, balance, open, enliven and illuminate your body, mind, soul and spirit.
