Dear Local PTA Leader and Members:

The Nevada PTA Board of Managers and I cordially invite you to attend the 72nd Annual Nevada PTA Convention April 26-28, 2012 at the Texas Station Gambling Hall & Hotel as we continue bridging the gap in education. Every member is important in the decision making process therefore all PTA members and leaders are encouraged to attend.

Excitement is building as the Convention Committee works hard on this year's program. The committee has worked hard to provide you with a variety of fun and exciting learning opportunities like:

- Educational workshops with outstanding presenters who are experts in their field. The workshops will be designed for:
 - Parents
 - PTA Leaders
 - Educators (CPE credit will be awarded)
 - Youth Leaders
- Special guest speakers who will inspire and refresh you.
- A town hall meeting with several superintendents of schools who will answer questions and give updates on their various districts.
- Legislative activities and votes on resolutions that help us determine our advocacy priorities.
- Networking opportunities with other PTA members and leaders
- Parent Resource Expo and PTA Store

This registration package explains all the new and exciting activities we have planned for you. Attendance and participation is vital to personal, local PTA, and council growth and development. Convention is the one place that allows us to gather fresh ideas, new information and recourses and network with others so we may continue our work for all children.

Make your plans now to attend Convention. The Nevada PTA Board of Managers and I look forward to seeing and meeting you as we continue to build the bridge to success in education.

Frequently Asked Questions

Why a Convention?

Convention is the place to gain knowledge to lead your PTA, develop your leadership skills, create successful PTA programs, network, and see what your fellow PTAs are doing. Convention is the time to celebrate the many successes of our PTAs and to enjoy our hard-earned rewards. Did you know that one secret to a successful PTA is Convention? Why? The experience of participating in exciting workshops, listening to terrific speakers, and conversing with other PTA delegates will leave you refreshed and renewed. You will walk away from Convention with ideas, information, and exciting possibilities for the rest of this year and all of the next.

Who Should Attend Convention?

Your PTA is entitled to send your President plus one voting delegate for every 25 members. Additional attendees are welcome. Invite everyone on your PTA board and your school administration to attend; the experience can change the direction of your PTA!

Is This a PTA Expense?

Convention is a legitimate PTA budget expense. Every year, Nevada PTA reminds all PTAs of the importance of sending the maximum number of delegates possible to Convention, and encourages you to budget accordingly. Even if you have attended Convention before, training is an ongoing process and an important component of success. Convention is your PTA professional development, and attending is the most valuable investment your PTA can make. You can't afford to miss it! Please let your Principal know that this is also an opportunity to leverage Title I Parent Involvement dollars, if your school qualifies.

What Takes Place at Convention?

A variety of activities that include workshops, general sessions, Parent Expo and social opportunities take place at Convention. Educational workshops on a variety of topics are scheduled. Workshops provide a great opportunity to improve your PTA, your leadership and parenting skills. General Sessions provide the opportunity for attendees to hear dynamic featured speakers, vote on proposed Nevada PTA resolutions, and participate in advocacy decisions that guide Nevada PTA. General Sessions are where the business takes place and the place for your PTA's voice to be heard.

Dress comfortably in business casual clothes

The program is full and you will be very busy. We recommend business or party attire for the Silver Star Banquet. Remember to bring a lightweight jacket or sweater for the changing temperatures in the meeting rooms.

Visit the Parent Resource Expo

On Saturday, be sure to visit the Parent Resource Expo. You will have multiple opportunities to visit with representatives from various community organizations and members of the business community. This is an excellent way for attendees to gather information on the many resources available to your school community and to meet vendors that provide a variety of services and fundraising opportunities for your PTA. It is a good idea to bring pre-printed labels with your PTA's name, address, phone, and email address. As you visit vendors, you can use these labels to give them your contact information.

Attend as many workshops and general sessions as possible.

Convention is a growth experience. There will be interesting and informative workshops where local and national speakers will address a variety of subjects to inspire you to continue your interest in children, education, and PTA.

Apply for awards

There will be awards presented celebrating a year of hard work by PTAs on behalf of children and the community. An awards packet that details all the awards your PTA can apply for will be available on Nevada PTA's website. **All Award applications are due to the Nevada PTA Office by March 12, 2012.**

Did your PTA have a successful membership campaign? Consider submitting an entry for the "*Nick Poulakidas*" Award. You can display your award entry on a science project board or in a binder. Your entry should be brought to Convention with you. This gives your PTA an opportunity to "show off" all your hard work as well as get ideas from other PTAs.
