

# Raffle Prize Donation Form

## Program Procedures

At each monthly chamber event, we raffle off your donations to our attendees. At sponsored events, the sponsors will be granted the right to decide which donations will be raffled away at their respective events. The Chamber reserves the right to assign the remaining raffle donations to any future chamber event. Only active members may take advantage of this marketing opportunity. In exchange for a donated item or service, the business owner gains "added value" exposure in front of their peers. This is a great way to get additional advertising for your business. To submit your donation, please fill out the Raffle Prize Donation Form, available by phone or e-mail requests and mail or fax it to the Evanston Chamber of Commerce
