Dear Parents and Friends,

The Fine Arts Programs in the Ipswich Public Schools are alive and flourishing, thanks to the extraordinary generosity of our donors! This past year, IMADA was able to contribute \$11,500 for Middle and High School arts enhancements such as visiting artists and materials and equipment not funded by the schools' budget. We also awarded 15 college scholarships and 30 summer study grants – helping more students than ever before.

The Fine Arts Programs in the Ipswich Public Schools provide students with wonderful opportunities to discover themselves and to shine, as one scholarship recipient so clearly articulated:

I appreciate your recognition of my efforts in the arts programs at IHS, as well as my love for them. I plan to continue playing my violin, singing, painting, and attending drama productions, and I greatly appreciate all that IMADA does for these programs. Thank you for making my high school experience so full of creativity and art.

Brianna Hanwell, Class of 2009

Our 2009-10 annual fund drive is now underway. IMADA is proud to support students, like Brianna, who thrive in an academic environment that embraces the arts. We hope you are too. **Please help us accomplish our goals by becoming a Patron of the Arts.**

Thank you for supporting the arts in our schools!

Sincerely,

Anne S. Brown, Annual Fund Drive Chairperson
