

Hewitt 2009-2010 Asia-Pacific Salary Increase Survey

We invite you to participate in Hewitt's 11th Annual Asia-Pacific Salary Increase Survey.

This brief questionnaire focuses on the overall changes in employee compensation in 2010, and projections for salary increases in 2011.

Participants will receive a **complimentary copy of the survey findings**.

You can use this information to help your company make more informed decisions about salary increases and variable pay awards. The survey also includes a special section with insights on pay and performance, attrition and cost-reduction approaches.
