ABOUT US

Ethelbert Child & Youth Care Centre (CYCC) is a registered non-profit and public benefits organisation (NPO & PBO) specializing in the full-time residential care of vulnerable, abandoned and abused children aged 18 months to 18 years. In accordance with the Children’s Act, the courts place children in need of care and safety in Child and Youth Care Centre’s such as Ethelbert CYCC.

Ethelbert Child and Youth Care Centre is also registered with the Department of Social Development and is therefore subject to governmental policies and principles.

VISION

To ensure that every child is given the opportunity to outgrow their trauma and thrive in an environment of care, love and security - free of prejudice.

MISSION

To render a high-quality comprehensive package of residential child care services that promote optimal rehabilitative and growth outcomes. These include:

- Creating a safe and therapeutic familial environment
- Ensuring educational needs of children are met through admission into mainstream schools, remedial or specialized teaching for children with learning disabilities
- Early Childhood Development programming for children aged 2–5 years
- Recreational, life-skills and extra-curricular programming
- Collaborative efforts with Department of Social Development for reunification of families
- Host & foster parent recruitment, training and support
- Making use of qualified personnel and dedicated volunteers;
- Establishing partnerships with the corporate sector, like-minded organisations and government departments;
- Implementing healthy business principles to ensure quality service

CHAIRPERSON'S REVIEW

INTRODUCTION

It is once again that time of the year when we at Ethelbert Child and Youth Care Centre reflect on the year that has passed. Despite the current economic climate that has seen many NPO’s including ours be placed under tight financial constraint, we are happy to report that through perseverance and the loyal support of our partners and donors we were able to see this financial year successfully through. We are truly blessed, and feel grateful to every role player within the organisation, our dedicated volunteers and of course each faithful supporter, donor or funder who through various means positively impacts the work we do. We look forward, with anticipation and expectation, to what the new year may bring.

HIGHLIGHTS

There is a Chinese Proverb that says "Let us plant the trees today such that tomorrow someone may enjoy the shade" – I believe this past year at Ethelbert Child and Youth Care Centre has certainly been a reflection of this. From embarking on a capacity building drive to up-skill our Child Care Workers; to introducing new and effective policies and procedures to support organisational efficiency, the staff have really worked on maintaining a well oiled machine of outstanding child care to take us firmly into the next financial year. The staff are feeling more confident to tackle the immense challenge of providing a high quality, comprehensive package of child care services to each of our children on an individual basis. I believe this will only strengthen the overall service delivery of the Centre and thank everyone for all their efforts.

As the Board of Management, we congratulate our Director, Vanessa Theophilus, for once more sitting at the helm of this colossal organisation and ensuring success even in trying and stormy waters. Her unfailing dedication to ensuring governance, building and maintaining fundamental relationships; and uncompromising outlook on quality child care affirms further the Board’s trust in her ability to grow Ethelbert Child and Youth Care Centre. Thank you to Vanessa and her husband Terence for making our organisation one where love truly does count.
FINANCES

Whilst the current economic climate has not been without its challenges, I am reminded of the quote: "God's work done in God's way will never lack provision". This is certainly evident in the invaluable support that Ethelbert Child and Youth Care Centre has received over the financial year. Through ongoing fundraising and focused efforts on managing funding relationships, we are able to report a positive financial outcome for the year. Thank you to the generosity of so many who made this possible.

LOOKING FORWARD

The road ahead for child welfare in the country is a long and winding one, but through the efforts of organisations like Ethelbert Child and Youth Care Centre, the journey is destined to be a meaningful one. We are so proud of all of our children and the strides they have each made in their development this year as they strive to reach their maximum potential. To all of our staff, donors, volunteers, partners and friends - heres to a continued, fruitful and blessed journey ahead.

"For I know the plans i have for you", declares the Lord "Plans to prosper you and not harm you, plans to give you hope and a future."

Jer 29:11

KATHRYN BUCHANAN
Chairperson: Board of Management
A MESSAGE FROM THE DIRECTOR

IMAGINE A PLACE WHERE LOVE REALLY COUNTS, WHERE YOU ARE MORE THAN YOUR CIRCUMSTANCE AND YOUR FUTURE IS ALIVE WITH POSSIBILITY... THAT'S THE PLACE YOU GET TO CALL HOME.

Since opening our doors in 1907, Ethelbert Child and Youth Care Centre has successfully nurtured over 3640 children and youth, providing a loving and supportive environment where they are able to develop, thrive and outgrow their trauma free of prejudice. As the custodian for our children, Ethelbert Child and Youth Care Centre is fully responsible for the health, safety, education, and psychosocial support of each child for the duration of their stay with us. This financial year has been no different, with a registered capacity of 65 children, Ethelbert Child and Youth Care Centre continues to successfully fulfil its mandate as a sought after residential child care facility.

Our 112 years of success would not be possible without the generous contributions of corporates, business owners, individual givers, like-minded organisations and volunteers who’s funding and in-kind donations ensure that we are able to fulfill our responsibility to our children and sustain the work we do. A heartfelt thank you to you all.

Vanessa Theophilus
Director
The child care facet of our organisation is at the epicentre of everything we do. This year the staff together with various supporting organisations and volunteers ensured growth, learning and development in all programmes and activities. This of course is always balanced with fun.

Thank you to the Toti Lions Club who treated our children to a picnic and day out at the Spash Water Park as well as Dare To Dream holiday camp for allowing some of our children an unforgettable experience. Other recreational activities included the Mandela Day cook off and Heritage Day Braai where our children were involved in prepared and shared meals for both occasions.

Our children continue to excel academically, all thanks to the educators at our local schools, volunteers to assist with extra tuition and learning support/therapy, as well as the consistent support of our Child Care Workers. The holistic development of our children is supported by our Life Skills programme that provides a healthy balance to the academic focus.

The activities for this year can be summarised in the following graph:

![FIGURE 1. Summary of Life Skills Activities & Participants](image)
HUMAN RESOURCES

To effectively and efficiently conduct operations within a child and youth care centre, a team of committed and driven individuals is required. At Ethelbert we are fortunate to have a team that reflects this, understands the organisation’s vision and is actively working towards providing high quality child care to our beneficiaries. As a registered affiliate of the Department of Social Development, custodian of child welfare in the country, Ethelbert is audited quarterly to ensure norms and standards are being met. To date we have received exemplary feedback – this is only possible through our cohesive team!

We are proud to report that our Early Childhood Practitioner, Jaydene Maybury graduated from the Caversham Institute with a National Diploma in Early Childhood Development and Nthuthuko Zulu, a Child Care Worker, ran the Comrades Marathon to raise funds for the Centre.

We welcomed Nazley Giquel onto the Ethelbert team who will be assuming the Funding Partnership Manager role within the organisation.

COMMUNITY OUTREACH PROGRAMME

We continue with our outreach efforts in Burlington, a nearby informal settlement. All surplus toys, second-hand clothing and furniture are shared with this disadvantaged and impoverished community because we believe that no one loses when we share. Modest support services are provided to the residents of the Ethelbert Retirement Village which is greatly appreciated by all occupants.
The Ethelbert Child and Youth care Centre campus has been in existence for over 100 years, with many of the building structures sharing extensive age and therefore requiring dedicated maintenance on a regular basis. Thank you to the efficient maintenance team under the guidance of Officer Clinton McDonald, all repairs are carried out timeously and professionally ensuring that our campus has years of sustainability ahead. We also thank our donors, both in-kind and cash, whose contributions make the regular upkeep of our campus possible.

We are happy to report the following upgrades amongst others over the last financial year:

- Various upgrades made across cottages
- Security improvements to existing system incl. installation of beam system
- Kitchen and laundry appliance purchases and repairs conducted
- Roofing repairs and upgrades
- Office block upgrades
- Miscellaneous repairs and upgrades across the campus incl. installation of a new jungle gym; pool pump replaced, trampoline repaired; plastic benches purchased and fitted in pool area
ETHELBERT RETIREMENT VILLAGE

The 32 unit complex adjacent to the main Ethelbert Child and Youth Care Centre campus sits under the broader mission of the Centre. Comprised of either one or two bedrooms, each unit has residents taking up occupation and enjoying this life-rights facility in their ripe age. The 100% occupation is owing to the collective efforts of the Village Management Committee: Ian Corbishley, Bruce Theunissen, Lionel Baney and Ernie Nightingale who ensure the comfort of all residents; the Ethelbert Child and Youth Care professional staff who assist with maintaining the village and rendering transport, administrative and support services to the residents when required. We thank everyone who plays a part in the seamless management and support of the Village including the resident-elected representatives who oversee the day-to-day activities of the complex. The Village is self-funded through monthly levies paid by residents.

Life-Rights occupation is available to persons over the age of 60 years – all enquiries can be made through the Ethelbert Child and Youth Care Centre office.

VOLUNTEERS & COMMUNITY SUPPORT

There is a quote that says "The heart of a volunteer is never measured in size, but by the depth of their commitment to make a difference in the lives of others" - this is both true and appropriate for the many individuals, Church groups, organisations and institutions who give of their time and talents toward the well-being of our children, and Centre at large. From advocacy and educational support to health and wellness; housekeeping, spiritual upliftment and prayer the list really is endless for the support Ethelbert receives on a regular and consistent basis. We would therefore like to extend a very warm thank you to all our loyal volunteers and community supporters for showing our staff and children what the truest definition of generosity is. As St Francis of Asisi so aptly said, "For it is in giving that we receive" - we at Ethelbert pray that all our volunteers and supporters are in receipt of God’s grace and blessings for the amazing contribution you make!
FINANCE & FUNDRAISING

The Ethelbert Child and Youth Care audited financial statements are included in this report.

As a registered Child and Youth Care Centre, Ethelbert receives a state subsidy from the Department of Social Development. This financial year, the subsidy accounted for 35.83% of our income, with the remaining 55.99% of funds having to be raised through various fundraising efforts.

Once again Ethelbert has been blessed with continued and generous support from our Methodist Church family. A contribution of R504 060.00 was received from the Christmas Day Collections which accounted for 8.17% of our total income. We extend a heartfelt thank you to all of the Methodist Churches in and around Kwa-Zulu Natal for their continuous support. God bless you!

Ethelbert has been the fortunate recipient of support from various Trusts and Foundations; fund distribution organisations, bequests and, corporate and individual donors – we are grateful to report that this year has been no different. Without the support of these key role players, we would not be able to sustain the work we do.

Finally, we would like to thank all who have been instrumental in building partnerships; as well as those who have taken time to reach out, understand and partner with our organisation through various avenues, you motivate us to keep improving and growing the work we do.

INDEPENDANT AUDITORS REPORT

To the shareholders of Ethelbert Child and Youth Care Centre

Qualified Opinion
We have audited the annual financial statements of Ethelbert Child and Youth Care Centre set out on pages 7 to 12, which comprise the statement of financial position as at 31 March 2019, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the annual financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effect of the matter described in the basis for qualified opinion section of our report, the annual financial statements present fairly, in all material respects, the financial position of Ethelbert Child and Youth Care Centre as at 31 March 2019, and its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Non-Profit Organisations Act.

Basis For Qualified Opinion
In common with similar organisations, it is not feasible for the centre to institute accounting controls over income such as donations, cash collections, certain grants and sundry income prior to the initial entry of the collections in the accounting records. Accordingly, it is impractical for us to extend our examination beyond the receipts actually recorded.

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the annual financial statements section of our report. We are independent of the company in accordance with the Independent Regulatory Board for Auditors Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of annual financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (Parts A and B). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of the management committee for the Annual Financial Statements
The management committee are responsible for the preparation and fair presentation of the annual financial statements in accordance with International Financial Reporting Standard for Small and Medium-sized Entities applicable to the centre and the requirements of the Non-Profit Organisations Act., and for such internal control as the management committee determine is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual financial statements, the management committee are responsible for assessing the centre’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management committee either intend to liquidate the centre or to cease operations, or have no realistic alternative but to do so.
Auditor’s responsibilities for the audit of the Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the centre’s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management committee.
- Conclude on the appropriateness of the management committee use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the centre’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the centre to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
