Campus Women
Your Voice Counts!

Have you ever thought about running for a student leadership position, but haven't yet? Are you interested in training to run for elected office on campus and beyond?

By participating in Elect Her, an election training program by Running Start, you will learn the skills needed to run for office now and in the future, to communicate your passion for change and service, and to network. You will meet elected women from our Northeast Ohio community and learn from their experiences!

Saturday, February 16th, 2019
11:30am - 4:00pm
Flora Stone Mather Center for Women

Lunched provided, along with a small networking reception following the event!
