DAVID GARCIA
ARIZONA’S NEXT GOVERNOR!

“I believe we should expand medical marijuana for our veterans, the terminally ill and our senior citizens. Patients that have obtained marijuana recommendations in other states should have access to obtain their medicine here in Arizona. I also believe that we should decriminalize the use and possession of marijuana.”

Thursday, May 17
5:30 – 8:00 PM

Wasted Grain
Ground Level
7295 E. Stetson Dr.
