CONSORT extension to pilot trials:
What’s new in the conduct and reporting of pilot trials

Presented by Dr. Lehana Thabane, Professor and Associate Chair in the Department of Health Research Methods, Evidence, and Impact.

Learning Objectives:
1. Defining a pilot and feasibility study
2. Understanding the current practice in pilot/feasibility trials
3. Learning about the essential elements of pilot and feasibility trials
4. Introducing the CONSORT extension to pilot trials

All faculty, research staff, allied health staff, and trainees are welcome to attend.
*These are interactive sessions - we want to hear your feedback, questions and great ideas!*
