CFMA Members,

It’s already February but Happy New Year. I hope everyone had some quality time off to enjoy the holidays and relax.

We have a great event lined up for this month. We are excited Dan Garcia, President at C.W. Matthews, is coming to give the details about the complexity and coordination required to rebuild the I-85 bridge.

It is renewal time! This year we will be giving away 5) $100.00 gift cards. The deadline is March 31st. The drawing will be at our April Meeting. Please renew today!

I hope to see everyone at our upcoming events. Please check our chapter website, as these and other future events are posted, to register. We will be using the online registration to collect payments.

Please look for future events and Chapter news in the following newsletters and online at our Chapter’s CFMA website.
