Western New York is program rich, but systems poor. We have the assets we need to improve our community’s health, but we have not aligned programs or had them work together in a strategic and coordinated way that can and will drive better outcomes. Only through a collective effort can we make systems changes that make our current resources effective and impactful.

- John D. Craik, Executive Director

**JOIN THE MOVEMENT!**

**CHECK AS MANY AS YOU’D LIKE**

- Attend the June 28th WNY Healthy Communities Coalition meeting. Register at pophealthwny.org/events/.

- Register my organization on the WNY Healthy Communities Coalition member inventory on www.wnyhealthycommunities.org.
