Keynote Address
William. L. Marshall, Emeritus Professor in psychology and psychiatry, Queen's University, Canada

Professor Marshall is the most important researcher and theoretician in the field of sexual aggression for the last 50 years. His main research interests include the assessment of sexual sadism, theories of sexual aggression, and the treatment of sexual offenders. He has over 400 publications, including 21 books. In addition, he has been on the Editorial Boards of 17 international journals. He has provided treatment to sexual offenders in various Canadian prisons, as well as at an institution for mentally disordered offenders, and in a community outpatient centre.

Registration required (limited places)

Registration fee
