If you plan to attend spring 2019 graduation ceremonies at Brigham Young University, be aware construction is underway on 500 West and Bulldog Boulevard (1230 North) in Provo. UDOT is rebuilding 500 West from 800 North to 500 South and Provo is modifying Bulldog Boulevard from 500 West to Canyon Road.

**PLAN YOUR ROUTE AROUND CONSTRUCTION:**

If you are driving on I-15, use University Parkway (Exit 269) or University Avenue (Exit 263) to campus.

Transit options are also available via:

FrontRunner to the Orem and Provo Intermodal Centers and connect to Utah Valley Express (UVX) which connects directly to BYU's campus. For more information visit: rideuta.com

Other methods include carpooling, or rideshare programs such as Lyft or Uber.

Contact the project Public Involvement Teams for questions or concerns:
