Garden Educator
For Mira Vista School, Richmond, CA

WC DIGS and Mira Vista School are seeking a garden educator with experience teaching school-aged children from Kindergarten – 8 grade to work directly with children and staff in the following capacities:

• Planting and caring for two vegetable gardens with children
• Supporting interested staff in developing gardening, nutrition and outdoors-based projects in their classrooms.
• Acting as an on-site naturalist by becoming familiar with the garden resources and developing relationships with children and staff which stimulate observation and involvement in the outdoor setting.
• Assisting teachers as they develop meaningful links between the outdoor environment and math, literacy, science, nutrition and the arts.

Responsibilities
• Work with a team to maintain two vegetable gardens with seasonal vegetables.
• Meet with teachers and classes regularly, to support the teaching of garden lessons and to organize workdays.
• Participate in ongoing documentation of children’s projects through photographs, transcriptions of children’s words and display panels.
• Assist with pre and post evaluation and curriculum preparation.

This position pays a $1000- $1500/month from October 2019 to May 2020 based on an hourly wage of $18 - 23/hr depending on experience.
