Calitzdorp Winter Festival

Winter Festival Reflection Meeting

Thursday 27th of June 2019 at 16:00 at the Calitzdorp station. Everybody welcome. Please send agenda items by Tuesday (25th)12:00 to tourism@calitzdorp.org.za or Tel: 044 213 3775.

A great thank you once again to Garden Route District Municipality who sponsored the festival. This event would not have been a success without the generous support they provided us throughout.
A CALL FOR TOURISM INVESTMENT PROJECTS TO PROVINCES AND PRODUCT OWNERS

The National Department of Tourism hereby makes a call for provinces and product owners to submit a list of their tourism projects requiring assistance with funding. These projects should have the following attributes:

- High impact projects with multiplier effects, i.e. that will be able to crowd in further investment including community benefits.
- Projects with no fundamental problems such as disputes on ownership, unresolved land claims, etc., which could undermine investor confidence.
- Projects with one or more core attraction(s) within the area (bias towards nodal areas)
- Projects ready to take-off within the next three (3) years.

Furthermore, the Department developed the Tourism Project Information Template (see attached template), which provides a guide in the Preparation for Bankable Tourism Projects to assist provinces and product owners to provide adequate information on the identified projects. After the projects are received by the Department, the Project Information Templates and listed attributes will be used to filter projects for inclusion in the list of prioritised tourism investment projects. The Department has identified/created a facility to assist with mobilising investment and/or grant funding for tourism projects through presenting in various tourism investment promotion platforms. The Department may assist with pre-feasibility or feasibility funding.

Provinces and product owners are requested to submit these projects by the 26 June 2019, using the attached template to Zubeida.Ben-Davids@westerncape.gov.za.

For any inquiry, please contact Ntakuseni on 012 444 6463 or Phumlani on 012 444 749.

Kind Regards

CALITZDORP MUSEUM
“WHAT’S NEW?”

ON SATURDAY 29th JUNE, 2019

André Rabie, whose family owns the Die Poort Private Nature Reserve – a 1 250ha farm in Matjiesvlei - has very kindly invited us to visit his home on the Reserve, to learn something about the farm, the valley and the conservancy.

The Reserve which borders onto the Greater Swartberg Protected Area - a World Heritage Site - and onto Gamkaskloof, is situated within three international biodiversity hotspots, the Succulent Karoo, the Cape Floristic Region and Thicket.

André’s house overlooks the Gamka River where it leaves the Swartberg Mountain, after its journey from Gamkaskloof through the 23 km long Gamkapoort. The last 5 km of the river fall within the boundaries of Die Poort.

Agriculture has traditionally been practiced on a very limited part of the farm and this has been revived during the past few years.

André is emeritus professor of the law faculty in the university of Stellenbosch. The principal subject of his research was environmental law. His Family Trust purchased the farm in 1999. He will be available to tell us about the farm, about the conservancy and about the ecological importance of this stunningly beautiful area. (Don’t forget your camera!)

Apart from the talk, if you are fit enough, you can walk down to the river - and afterwards, if you wish, walk back up again and have your picnic on the lovely stoep of André’s home, which overlooks the poort. (Stout walking shoes, and Sherpa trekking poles……or whatever!)

TIME: 09h45  Meet in Calitzdorp, at the garage on the main road (R62), for registration.

The farm is accessible by normal cars but for anyone who feels nervous about doing the drive into the valley, we will try to arrange for car-sharing. We plan to leave for Matjiesvlei not later than 10h00.

COST: Friends of the Museum: R40 per person (remember to bring your membership card). Non-members, R50.

Please join us for what promises to be another fascinating outing
