LUNCHEON MEETING

Lori Jackson

The Cybersecurity Maturity Model Certification (CMMC) goes in effect for the Defense Industrial Base in 2020. If you received this flyer and don’t know what all that means, you probably need to attend this meeting to learn more. Even if you do know what all that means, do you know if your company complies with the CMMC requirements? Come meet Lori Jackson, the President of White Raven Security who will help walk you through the byzantine maze of regulations, acronyms and techno-babel and provide straight answers for what this requirement means and steps you need to ensure compliance.

TUESDAY – 28 January 2020
11:30 (Social – Brown Bag Lunch)
12:00 (Presentation Begins)
Department of Public Works
Training Classroom
Building 3-2232, off of Butner Road
(See attached map)
BYOL – Bring Your Own Lunch

Also come to learn more about upcoming post activities and opportunities to get involved.
To access Fort Bragg, a visitor’s pass or Government ID is required. To obtain your pass, go to the Visitor’s Center at the All-American Expressway Gate. You must show a drivers license, vehicle registration, and proof of insurance. Please remember to allow ample time for this process (approximately 20-30 minutes), pass will be valid for 1 year.
