Invitation

On behalf of the Australian Nurse Teachers’ Society (ANTS), we welcome you to the 17th National Nurse Education Conference entitled Changing Worlds: Synergies in nursing, midwifery and health education in Melbourne, 1-4 May, 2018.

Nursing and midwifery educators are in the middle of changing worlds in health, education, and society. It is our vision, leadership, expertise and guidance that will shape the worlds of students, clinicians, individuals and communities. The conference will explore changing practice through innovation, creative teaching and learning strategies, supporting educators and learners, and collaborating in partnerships with others.

Areas that may be of interest in the conference are:

- Creating and supporting change in education and learning
- Innovative educational programs
- Student engagement initiatives
- Collaborative health education projects
- Supporting vulnerable groups through education (such as children, refugees, Aboriginal and Torres Strait Islanders)

The ANTS looks forward to welcoming you to this national conference in the vibrant city of Melbourne.

Dr Christine Taylor and the National Executive of the Australian Nurse Teachers’ Society.
