Mike Fies with the VDGIF strongly recommends every WCO own a copy of the Virginia Specific - NWCTP Wildlife Control Core Principles and Wildlife Species Information, which is required for this course if you are using this course to earn your CNAP. Please circle the manual on the registration form to order this manual and receive it at the class.

$105 members/$200 non-members
Qualifies 8 CEUs

Earn up to 24 CEUs towards your Commercial Nuisance Animal Permit in three days! Enough to carry your permit for 3 years!
VWDMA will promote the valuable and necessary services our WCO members provide to homeowners and businesses in Virginia. The Association will nurture a positive working relationship with the VA DGIF, as well as other government and non-government entities that share an interest in the wildlife control industry.

There is no better way to grow your own business than by continuing to educate yourself and your employees about current trends, practices and technical methods for successful wildlife damage management. VWDMA will offer an annual training event, as well as other networking and educational opportunities.
