SUCCESSES

1. Growth of Youth Co-op
2. Simplified process for improved customer experience
3. Pilot of Project Based Partnerships for Companies
Feedback

Increase focus on engaging minority students
Continue to focus on reaching parents
Start engaging the middle school population
Grow teacher externship participation
How do you "inspire" the 18-25 year olds?

Promote and engage students as ambassadors
Enhance partnerships with job centers, RCS, etc.
Create flexible youth co-op scheduling

Challenges

1. How do we engage minority populations?
2. How do we reach parents to increase awareness?
3. How do we grow to support 1,500 students per year?
