Weekly Announcements

In Christ, we reach up, reach out, reach in.

Commit to Consistency: Transforming Lives through Consistent Generosity
Each week, the generous offerings of our faith community allow St. Mark’s to impact countless lives, here in Wood County and around the world, by providing for the physical, spiritual, and emotional needs of others. On January 19, the Stewardship Committee will begin a multi-week challenge encouraging us to do just that. During this challenge, resources will be available to help you set up your recurring gifts online. Please think and pray about whether you are willing to take this next step and commit to consistent giving.
