It Takes Two to Talk®
The Hanen Program® for Parents of Children with Language Delays

Orientation Meeting

Lifestart Northern Beaches branch will be offering parents the opportunity to be a part of the “It Takes Two to Talk” programs from 24th August to 8th December this year.

This program assists families to understand more about their child’s communication style, stage of development and identify practical strategies to develop communication skills.

Families work along side the Speech Pathologist to identify daily routines e.g. bath time and activities where communication can be fostered and children can learn new skills.

For more information regarding the Hanen Centre and their programs at Lifestart go to www.lifestart.org.au/hanen
