Cardiovascular Implications in Fabry Disease: A multidisciplinary approach to diagnosis, assessment and treatment

You are invited: Tuesday Lunch Session
February 11, 2020 | 11:45 AM – 12:45 PM
Windermere X | Hyatt Regency Orlando

CME Accredited Symposium

Agenda
11:45 AM Welcome and Introduction | Robert J. Hopkin
11:50 AM Overview of Cardiac Implications for Patients with Fabry Disease | Robert J. Hopkin
12:00 PM Current Treatments Available: A review by patient group | Dawn A. Laney
12:10 PM Determining Effectiveness of Treatments on Cardiovascular Outcomes: Testing and timing of cardiac assessments | John L. Jefferies
12:25 PM Current Research Underway, and Research Still Needed: Focus on cardiovascular impact | Gavin Y. Oudit
12:35 PM Panel Discussion and Audience Q&A

Target Audience
Clinicians and researchers involved with the diagnosis, treatment and management of patients with Fabry disease.

Learning Objectives
At the end of this session, the participants will be able to:
1. Review the impact of cardiac complications for patients with Fabry disease.
2. Discuss the rationale for regular evaluation of cardiac involvement and progression to determine the effectiveness of treatment of Fabry disease within specific age groups.
3. Review appropriate testing and timing for cardiac involvement in patients with Fabry disease.
4. Identify areas of recent and emerging research in cardiology among Fabry disease patients and the need for additional study and tools.
5. Discuss the existing and emerging therapeutic options for addressing cardiac complications in Fabry disease appropriate to specific patient subtypes.
6. Identify the published guidelines, discrepancies between renal and cardiac guidelines, and opportunities for further development of evidence-based cardiac guidelines for Fabry disease.

Co-Chairs
Robert J. Hopkin, MD
Associate Professor, UIC Department of Pediatrics
Program Director, Medical Genetics Residency Programs,
Division of Human Genetics,
Cincinnati Children’s Hospital
Cincinnati, Ohio, USA

John L. Jefferies, MD, MPH, FAAP, FACC, FAHA, FHFSA
Jay Michael Sullivan Distinguished Chair in Cardiology
Professor and Chief, Division of Adult Cardiovascular Diseases
Director, Methodist University of Tennessee Cardiovascular Institute
Research Member, St Jude Children’s Research Hospital
The University of Tennessee Health Science Center
Memphis, Tennessee, USA

Additional Faculty
Dawn A. Laney, MS, CGC, CCRCP
Assistant Professor/ Genetic Counselor
Director, Emory Genetic Clinical Trials Center
Program Leader, Emory Lysosomal Storage Disease Center
Atlanta, Georgia, USA

Gavin Y. Oudit, MD, PhD, FRCP
Professor of Medicine
Director, Human Explanted Heart Program (HELP)
Canada Research Chair in Heart Failure
Director, Heart Function Clinic
Mazankowski Alberta Heart Institute
University of Alberta
Edmonton, Alberta, Canada

ACCREDITATION: This activity is jointly provided by Postgraduate Institute for Medicine and WORLD Symposium. This activity is supported by an independent educational grant from Amicus Therapeutics Inc.

Joint Accreditation Statement
In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and WORLD Symposium. Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician Continuing Medical Education
The Postgraduate Institute for Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Nursing Education
The maximum number of hours awarded for this Continuing Nursing Education activity is 1.0 contact hours.

Event staff will be glad to assist you with any special needs (i.e., physical, dietary, etc). Please contact Gudrun Echterhoff prior to the live event at gudrun@gmimeetings.com.

Eligibility: Registration for WORLD Symposium 2020 and an official name badge are required to attend this satellite symposium.
WORLD Symposium has reviewed and approved this Satellite Symposium as appropriate for presentation as an independent educational activity held in conjunction with WORLD Symposium 2020. This Satellite Symposium is not part of the official WORLD Symposium program, and WORLD Symposium does not approve or endorse any commercial products or services discussed during the Satellite Symposium or offered for sale by the corporate supporter of the Satellite Symposium. This Satellite Symposium is not approved for CME by WORLD Symposium. This Satellite Symposium is approved for CME/CNE credit by the Postgraduate Institute for Medicine.

Americans with Disabilities Act: Event staff will be glad to assist you with any special needs (i.e., physical, dietary, etc). Please contact Gudrun Echterhoff prior to the live event at gudrun@gmimeetings.com.

Fee Information: There is no fee for this educational activity.
