Maximizing the Impact and Clarity of Scientific Grants and Papers

Monday, April 8th from 9:30 - 10:30 AM
Knapp Center for Biomedical Discovery (KCBD)
900 E 57th Street, Auditorium - Room 1103

Brett Mensh, MD, PhD
Founder, Optimize Science
Scientific Adviser, Janelia Research Campus, HHMI

Dr. Brett Mensh, MD, PhD will illustrate several principles that make written science more receivable and compelling – see his widely read 2017 editorial in PLoS Computational Biology, *Ten Simple Rules for Structuring Papers*.

Brett trained in biomedical engineering (Duke) and neuroscience (Bell Labs), and has held faculty positions at Harvard Medical School and Columbia University.
