Before the videoconference:
1. Book your room with a videoconference device from 8:00 am to 12:30 pm.
2. Proceed to register your site:
   - If you have access to Iris, search for videoconferences that have the Iris numbers above and in the Participating Systems section, add your station.
   - If you do not have access to IRIS, please contact the person who has this access in your institution and ask them to add your site in the Participating Systems section.

Registration deadlines
Reservations will be possible up to one hour before the event.

The day of the videoconference
Start the device at 8:30 am and have a technician or a representative in the room to participate in the pre-test 30 minutes before the conference. Ensure that participants know how to reach the technician in the event of technical difficulties during the videoconference.
