Friday, October 17th at 9:00 AM—BYU Museum of Paleontology

All welcome! RSVP by October 1st

⇒ Extract bones in the lab!
⇒ Learn about the depositional environments that preserved the denizens of Utah’s deep past
⇒ See how we use ground-based LiDAR and photogrammetry to map the bones at Dinosaur National Monument.

This year’s trip will showcase 10 new dinosaurs and other animals recently discovered.

There will a behind-the-scenes tour of the museum and laboratory led by Dr. Britt and Dr. Rodney Scheetz with presentations by students. Children accompanied by adults are welcome to come. There is no cost to the event but you need to pre-register at the eventbrite link (same one as the alumni dinner).

Friday, October 17th at 6:00 PM—Alumni Dinner

Due to the type of event, adults only please. RSVP by October 1st

The department dinner is 6 PM Friday, October 17 at the Museum of Paleontology. The dinner is a great time to catch up with fellow alumni, current students, and faculty.

This year there is no charge for an alumni plus spouse at the dinner but you need to pre-register.

Pre-register at by October 1st: (an email will be sent with the registration link early September)

Or go to Eventbrite.com
