The benefits of apprenticeships

Earn up to £500 a week in a Higher Apprenticeship (depending on the industry)

Boost your brain power
Learn the English, maths and IT skills that employers are looking for

Apprentices are entitled to 20 days holiday + 8 bank holidays

Apprenticeships are recognised nationally

92% of apprentices said their career prospects had improved

Paid for by your employer and government...

90% of apprentices currently go into work or further training

92% of apprentices felt that their apprenticeship had a positive impact on their careers

Apprenticeships include real qualifications!

You can start an apprenticeship at any time - no need to wait for 'term time'

153,000 apprenticeship programme starts in England between August 2016 and October 2017

Need work experience?
Consider a traineeship as they provide real work experience to build your CV

Traineeships can prepare you for apprenticeships and real work
