Why Take the Plunge?
For almost 50 years, Special Olympics Delaware has been inspiring children and adults with intellectual disabilities to become champions - celebrating unity, fitness, the joy of sports, and the strength of the human spirit.

The Lewes Polar Bear Plunge benefits our program and has become our largest and most significant event for raising funds and awareness for our athletes. We serve more than 4,200 Special Olympics athletes in the state - yet, there are so many more who could participate in our program.

Your Plunge fuels our growth and sustains our mission to provide year-round sports training and athletic competition for individuals with intellectual disabilities. Please join us on February 3 and “Take the Plunge” for Special Olympics!

Kyle Stevenson has been participating in Special Olympics for nearly 25 years, beginning at the age of 8. Over the years he has participated in the sports of soccer, volleyball, basketball, softball and flag football both with the MOT Tigers Area program and at his various schools.

According to MOT Area director Mary Ward-Hutchison, “Kyle is the ultimate team player and a positive force, always exhibiting great sportsmanship, encouraging his teammates, listening to his coaches and working hard to better himself as an athlete. His commitment to his team and his coaches is exemplary.”

Coaches recognize Kyle as a “competitor” who gives nothing less than 110% when he hits the field and is well known for never missing a practice. At the 2018 Summer Games, Kyle’s stellar play at first base helped lead the Tigers to a silver medal in the Unified softball tournament.

Kyle’s outgoing personality makes him a natural as a patient escort at Wilmington Hospital and in his free time he is often seen playing basketball on the courts at Silver Lake Park.

The annual Night of Heroes, presented by DOW, celebrates the significant contributions of people and organizations both from the past year and over a longer period of time.

Held each fall, the evening’s awards program and reception is an opportunity for the Special Olympics family to come together and celebrate the organization’s successes and recognize those who made it possible.

Special Olympics Delaware awards nominations are open to athletes, families, coaches, organizations and volunteers who have made a significant contribution to Special Olympics. The following individuals (shown above left to right) are the 2018 Night of Heroes recipients - Amy Haywood - President's Award, Jon Stoklosa - Hall of Fame, Jack Lingo - Outstanding Business, Figure Skating - Outstanding Program, Kyle “Juice” Stevenson - Outstanding Athlete, Schulze Family - Outstanding Family, Scott Tamblyn - Outstanding Coach, Sean Greene, WDEL - Outstanding Media, Steff DiMartine - Outstanding Volunteer, TD Bank - Outstanding Corporation. Unified basketball, an official sport under the umbrella of the Delaware Interscholastic Athletic Association, has 14 teams taking part this season.

The 2018/19 seasons tipped off with 10 schools competing in National Tournaments the week after Christmas right here in the First State.

The Diamond State Classic hosted three games at the St. E Center in Wilmington. Middletown High School defeated Appoquinimink High School on Dec. 29. On Dec. 30, William Penn High School was victorious over McKean High School, and Mount Pleasant defeated Newark Charter.

The Slam Dunk to the Beach Tournament, held Dec. 27-29 at Cape Henlopen High School, saw four schools face off. Caesar Rodney High School defeated Cape Henlopen High School and Seaford High School defeated Dover High School.

In addition to the schools listed above, Delcastle, Glasgow, Indian River and Milford are fielding Unified basketball teams for this inaugural season. Schedules can be found at: www.websites4sports.com.

Smyrna High School captured the SODE/DIAA Unified Flag Football state championship with a 26-12 win over Newark Charter School on Dec. 1 at Delaware Stadium.

“They have developed friendships and relationships that go beyond sports,” Smyrna coach Andrew Mears said. “I didn’t teach that. I’ve kind of just been the facilitator watching them come together over the last few years.”

The game was a rematch of the 2017 title game, which Newark Charter won to capture their second straight championship. The state title is the Smyrna’s first in Unified flag football.

“They’ve made this game and this season a memory that they’ll reflect on later in life,” Mears added.

Chloe Griffiths and Willek Murphy of Smyrna High School were selected as the Special Olympics North America Youth of the Week. Last year, Chloe and Willek were selected to attend the 2018 USA Games in Seattle to participate in the Youth Leadership Experience. They were chosen because of their leadership skills and passion for inclusion. This past fall, Willek played on the Smyrna High School Unified flag football team and Chloe was a cheerleader on the inclusive cheer team at the school.

SCHOOL BASKETBALL SKILLS

More than 1,500 athletes and Unified partners from nearly 70 schools competed in county-wide competitions for both elementary and secondary age groups. The majority of competitions were held at local high schools where students took on the leadership role of serving as volunteers and made it an experience our athletes won’t ever forget. Thank you to our host schools and/or volunteers from Caesar Rodney, McKean, Middletown, Milford, Padua, Smyrna, Sussex Tech and William Penn.

If you can’t bearrrrrrrrrrrrr to “take the plunge” ... you can still join in on the fun by sending a pledge that Irv & Phyllis Levin will match - dollar for dollar!

With the 28th annual Lewes Polar Bear Plunge scheduled for Sunday, February 3, 2019, thousands of people are preparing to brave the chilly Atlantic Ocean for the worthy cause of raising money for Special Olympics Delaware (SODE). But, if the thought of participating in the Plunge seems utterly “unbearable” to you, and if you aren’t already planning to support a Plunge participant, there is still a way for you to have an impact on what has evolved into one of SODE’s most significant fundraising events.

Irv Levin and his wife, Phyllis, have once again agreed to match, dollar for dollar, donations made to Irv’s Plunge pledge drive. This is a wonderful opportunity to maximize your support for Special Olympics Delaware!

Irv & Phyllis’ son, Jamie, is a Special Olympics athlete, and they have always provided tremendous support to the organization. This matching funds effort is their way of continuing that support while also allowing others to join in and help create a contribution of even greater significance.

“With a son involved in Special Olympics Delaware, Phyllis and I, as parents, want to be involved in the program,” Irv says. “We know how worthwhile and important the organization is, and we also know that the money raised is being used to support the program - and we like that. We see where the money goes and how much the athletes benefit!”
