Las Posadas & Lantern Festival celebrating International Migrants Day

Las Posadas is a dramatization of the search for an inn by the Holy Family. The Lantern Festival reminds us of the star that guided the search of the magi. This combined celebration depicts the immigrant search for life and security. Let us walk together honoring our immigrant brothers & sisters! Let our support & presence be their guiding stars.

Sunday, 18 December 2016 @ 4:00 p.m.
in front of Barnes & Noble on 17th Street

NO REGISTRATION REQUIRED, for information call (212) 736-8500x305
