Tidewater Science and Engineering Fair  
Old Dominion University  
Saturday March 16th, 2019

Special Awards Judges,

ABSTRACTS will be ready by February 23. (An abstract is summary page that each students was to send us electronically and that we have posted for you to review if you so desire.) We will be sending you the web site info so that you may review them prior to the Fair.

PARKING – try to use the football stadium parking garage located on 49th Street. No pass/money is required.

JUDGES’ ENTRANCE TO WEBB CENTER – about one block from the football stadium parking garage, on the 49th Street side towards the back of Webb Center. Look for a small brick parking lot and come up those steps that face 49th Street.

TIMES– Please try to be in Webb Center by 7:10 so that we can register you and start the process at 7:30

FOOD – Breakfast (pastries, coffee, and juices) will be provided in the morning with a box lunch (veggie, ham or turkey) available around 11:30. We are finalizing the food order, so that if you have special request, we need to know by February 23rd.

YOUR SCHEDULE – 7:15 – 7:45 Information Meeting
7:45 – 8:40 First review of projects without students
8:45 – 11:30 Project Review with students
11:30 – 12pm Second review of projects without students
12pm – 1:00pm Submission of results
2pm Awards Ceremony, optional (except if presenting award)

~Any schedule modifications will be presented to you the day of the fair

Thank you for your dedication, interest and time for these brilliant young people. See you on the March 16th!
