NJ Transit 2020 Summer Internship
Seeking ALL Art Majors

At NJ Transit, we believe innovation starts with our customers. We are the third-largest transportation agency in North America and fully committed to delivering safe and reliable services that can get customers to their desired destinations on time. This tactic has driven our success in developing real-world solutions that affect many individuals lives every day. We are looking to hire talented students for our Summer Internship Program who can help initiate our solution-based business model to the next level. As an intern at NJ Transit, you will oversee projects from concepts to completion. Our interns step away from the regular sitting at the desk to having the opportunity at hands-on experience with several other business units within NJ Transit. Our ideal candidate is passionate about learning and using creative solutions to make an impact on the lives of others every day.

Objective of this role:

- Develop an understanding of our services, customers, organizational goals, and business approach to classify improvement needs.
- Illustrate concept by designing layouts of art and copy concerning arrangement, size, type size and style, and associated artistic concepts.
- Draw up signage and conduct surveys.
- Catalog art installation along with various systems for the database usage.
- Support the design staff to accomplish required tasks.

Skills and Qualifications:

- Working towards a degree in Graphic Design, Fine Art, Architectural Design, and related major (Freshman, Sophomore, Junior, or Graduate Student).
- Proficient in written and verbal communication, as well as producing and delivering presentations.
- Proficient in software applications, such as Microsoft Office, Adobe Illustrator, Microsoft office, and AutoCAD.
- Dependable and able to work well with other people as well as follow directions properly.
- Other job responsibilities as required.

When applying please complete the entire application; any incomplete applications will not be considered. Also, please upload your resume and cover letter to be considered when applying.

Hourly Rate: $12-$22

Move forward with us at NJ Transit!
FORBES LIST OF AMERICA’S BEST EMPLOYERS 2018

New Jersey Transit is an Equal Opportunity Employer
NJ Transit 2020 Summer Internship
Seeking ALL Real Estate and Economics Majors

At NJ Transit, we believe innovation starts with our customers. We are the third-largest transportation agency in North America and fully committed to delivering safe and reliable services that can get customers to their desired destinations on time. This tactic has driven our success in developing real-world solutions that affect many individuals lives every day. We are looking to hire talented students for our Summer Internship Program who can help initiate our solution-based business model to the next level. As an intern at NJ Transit, you will oversee projects from concepts to completion. Our interns step away from the regular sitting at the desk to having the opportunity at hands-on experience with several other business units within NJ Transit. Our ideal candidate is passionate about learning and using creative solutions to make an impact on the lives of others every day.

Objective of this role:

- Develop an understanding of our services, customers, organizational goals, and business approach to classify improvement needs.
- Assist in determining NJ Transit’s right and obligation under proposed property transactions.
- Assist with commercial and noncommercial permits request for the use of NJ Transit’s Property.
- Prepare the tracking spreadsheet for mobile payments (credit card v. Cash v. mobile app) at the station with electronic pay.
- Assist with creating websites which depicts a statewide map of NJ Real Estate.

Skills and Qualifications:

- Working towards a degree in Business, Real State, Pre-law, or related major (Freshman, Sophomore, Junior, or Graduate Student).
- Proficient in written and verbal communication.
- Proficient in Microsoft office Ex. Word, Excel, PowerPoint, Outlook.
- Organizational skills and ability to analyze data for improvements.
- Other job responsibilities as required.

When applying please complete the entire application; any incomplete applications will not be considered. Also, please upload your resume and cover letter to be considered when applying.

Hourly Rate: $12-$22
