CANOWINDRA

EXPLORE THE ‘PLACE YOU CALL HOME’ LIKE A LOCAL

PROUDLY PRODUCED BY
A PLACE TO CALL HOME

There’s no wonder Canowindra feels like home when the Indigenous Wiradjuri Aboriginal word for Canowindra means home or camping ground. Canowindra is a historic town nestled among rolling hills and flawless landscapes. A place to unwind and relax with the slow paced lifestyle and fresh air. Built around history with the bendy Main Street, Canowindra is a combination of old and new. With a population of just over 2,000 people, Canowindra is a friendly and inviting community. Canowindra gives a sense of calmness and belonging, even if you are just visiting for a weekend, Canowindra will soon become a memorable experience.
THINGS TO SEE AND DO

EXPLORE THE SKIES ABOVE OR VIEW TREASURES BELOW...

The skies come alive with colour throughout the year as balloons take flight in what is the perfect valley for ballooning. Whether you are on the ground or above it, it is an experience not to be missed. The skies aren’t the only thing that comes alive in Canowindra. Canowindra is also famous for The Age of Fishes Museum, which will take you back in time to discover treasures from under the earth that are 360-370 million years old. The fresh water fish fossils are a world-class collection and showcase this period of evolution. For a small country town there is so much to see and do in Canowindra.

OUR TOP 5...

1. Take a Hot Air Balloon ride over the Canowindra countryside. The best times of the year to fly are between March and May.
2. Tour the world-class collection of fish fossils at the Age of Fishes Museum.
3. Explore the local vineyards and cellar doors.
4. Pack a picnic and fish along the Belubula River.
5. Taste some amazing local produce at a local café, pub, club or restaurant.
To celebrate that special occasion
enjoy a balloon flight and
champagne brekky.
Memories which last a lifetime.
