The First International Congress of the Society of Psychiatrists, Narcologists, Psychotherapists and Clinical Psychologists of the Republic of Moldova

The First International Congress of the Society of Psychiatrists, Narcologists, Psychotherapists and Clinical Psychologists of the Republic of Moldova was organised on 27-29 June in Chisinau.

The theme of the Congress was: Mental Health - a Priority, a Presence and a Necessity of the Contemporary Society. It addressed the major challenges and issues of mental health in all its complexity.

The Congress brought together psychiatrists, psychotherapists, researchers, narcologists, clinical psychologists, managers and policy makers from eleven countries (including the Netherlands, Switzerland, France, Romania, Croatia, Czech Republic, Ukraine and India) to the benefit of the users, the health services and the general population.

The Congress included a broad range of conferences, workshops and plenary sessions with participants from the Republic of Moldova and other countries, on such topics as community services, adult and child psychiatry, psychopharmacology, biological psychiatry, addictology, psychotherapy and other.

Jana Chihiăi, President
Society of Psychiatrists, Narcologists, Psychotherapists and Clinical Psychologists of the Republic of Moldova
