2019 Vendor Contract Information

12th Annual Barn Sale

Friday, November 1, 2019
4:00pm-9:00pm

Saturday, November 2, 2019
9:00am-4:00pm

**Easy Application Requirements:** Fill out pages 3, 4, and 5 of this application and mail to Rusted Gingham. Please also email six pictures of what you would like to sell, at least one of which should show us how you display your goods. Please choose your pictures carefully and make sure what you are sending is up to date with your most recent inventory. Often, your pictures are what we use to make that final decision, and we want to see your goods in the most appealing way possible. If you are unable to email pictures, please send photos with your application by mail. **Applications must be turned in by May 24th, 2019.** Electronically submitted forms will not be accepted; print and mail this application for consideration.

**Selection Process and Notification:** We review all applications as they are submitted and carefully choose those that fit with the “vintage market feel” of our Barn Sale. We want to offer quality goods that meet trendy buyer expectations as well as unique one-of-a-kind items that are not likely to be repeated.

It is necessary for all vendors to apply each year, as your merchandise should reflect your current creativity. The overall mix of Barn Sale vendors will be different each year; therefore it is likely some applications will be declined. Please note, this is not a clothing and jewelry show; however, we do accept it on a limited basis when it has a vintage or upcycled spin. So if you’ve been with us before, we’d truly love for you to apply again this year. Please remember we have limited space and a growing number of vendors applying each year. Also note Rusted Gingham reserves the right to ask you to remove goods at the Barn Sale that are not consistent with the submitted photographs and descriptions you provide with this application.

**Location:** JB Wells Park in Gonzales, Texas. [http://www.cityofgonzales.org/jbwells/default.asp](http://www.cityofgonzales.org/jbwells/default.asp). J. B. Wells Park, located at 2301 CR 197, is a 169 acre park that has a covered pavilion, multi-purpose show barn, covered arena, practice arena and a hike and bike trail. There are 319 full recreational vehicle hook-ups. Our Barn Sale will be in the Show Barn.

**Booth Fees:** Approved vendors will be sent a payment link and instructions via email. Payment must be received within 10 business days of your emailed acceptance to confirm your participation. You may use a credit card or PayPal to remit your payment online. If you are unable to make an online transaction, you may send us a check by mail.

Hotel information will come with marketing information and is listed on our website. We highly suggest you book early.
Booths and Assignments: The sides of the barn are open on the top half to fresh air and breezes. All booths will be under the cover of the show barn with dirt OR asphalt flooring. Vendors will be responsible for arranging their booths or tables in an attractive way while staying within the allotted space. Take some time to create a vignette that really shows off your creativity. The Barn Sale is a unique setting and many customers come to enjoy the atmosphere. The creativity of the vendors is what makes it very special and memorable. We’re scouting out vendors who have great goods and know how to display well.

If you have a BFF or a favorite space in the barn you wish to request, please let us know in the comments area on page 3 and we will do the best we can to help you enjoy your spaces! Rusted Gingham reserves the right to assign all space locations and change space assignments and sizes prior to or during the sale, if such change is deemed by Rusted Gingham to be in the overall best interest of the Barn Sale.

Load in and Set up: The barn will be open for load in at 4 pm on Thursday and 9 am on Friday; please arrive at the time given in the email to follow your selection confirmation. Vehicles must be unloaded and promptly removed from the barn. Set up may then begin. If you bring canopies and tents, they must be secured & tied down. Barn Sale hours are Friday from 4pm – 9 pm and Saturday from 9am–4pm. (If you are still reading—good for you! Please initial the final signature line prior to placing your signature on the last page.) Vendors should have their booth completed 30 minutes prior to opening and must remain open and operational for the entire sale time both days. We will send a load in schedule via email. Barn will be secured Thursday and Friday nights.

Break Down and Load out: Break down and packing may begin at 4:00 pm on Saturday. Packing up prior to closing is disruptive and interferes with the entire Barn Sale. All vendors are required to respect the sale hours. Please leave your space clean upon departure. There will be ample receptacles for your trash. Load out must be completed by 9:00 pm Saturday.
