  (2) 4.25” x 4.25”

If using a Cricut, refer to the .svg files listed in the OklaRoots Pattern Vault.

Make sure to print this sheet at 100% in Adobe Acrobat Reader. Use the 1” square to check your measurement.
Sew together template A, colors 2 and 4, creating 2 half square triangles. Sew the two HST (half square triangle) units together as shown.

Sew together template A, colors 3 and 4 to the color 1 parallelogram, as shown.

Then sew the top unit of HST to the bottom parallelogram unit together.

This will create one quadrant of the block. Make 3 more identical units so you have 4 total. Then sew together as shown below.

Please refer to the OklaRoots YouTube channel for further piecing instructions.
