METRO System Eligibility/Orientation Specialist

The Washington Metropolitan Area Transit Authority is currently accepting applications for METRO System Eligibility/Orientation Specialist. The job opening is available on our website www.wmata.com/careers.

A career as a METRO System Eligibility/Orientation Specialist in a transit environment is very rewarding, as well as necessary to the critical success of WMATA. The Authority seeks dependable professionals with high standards and integrity. We continually strive to attract the best and the brightest talent that will bring their unique qualifications as well as an excellent work ethic to our dynamic environment.

The ideal candidate will be responsible for: determining eligibility for MetroAccess door-to-door paratransit service, as well as eligibility for the Reduced Fare Program (RFP) for people with disabilities. Incumbent performs duties as a Metro Systems Orientation Specialist (Travel Trainer) to teach people with disabilities and senior citizens how to travel safely and independently on the accessible fixed-route Metrobus and/or Metrorail systems.

Minimum Qualifications include, but are not limited to: Graduation from an accredited college or university with a Bachelor's Degree in Special Education, Rehabilitation Counseling, Human Services, Social Work, Psychology, Orientation and Mobility, Recreation Therapy, Occupational Therapy, Physical Therapy, or a related field. Minimum of four (4) years of progressively responsible experience in travel training or orientation and mobility training, preferably in the transportation industry and/or a minimum of three (3) years working in assessing and/or determining benefit eligibility for people with disabilities or senior citizens.

Military candidates that have formal training in the following military occupational skills are highly desirable.

1. USAF AFSC:
   a. 4C0XX – Mental Health Service
   b. 4J0XX – Physical Medicine
   c. 4M0XX - Aerospace and Operational Physiology
   d. 4N0XX - Aerospace Medical Service

2. Army MOS:
   a. 68W – Healthcare Specialist/Combat Medic
   b. 68X - Mental Health Specialist
3. Navy NEC:
   a. HM 8425 Surface Field Independent Duty Corpsman
   b. HM 8427 Fleet Marine Force Recon Corpsman
   c. HM 8466 Physical Therapy Technician
   d. HM 8467 Occupational Therapy Assistance
   e. HM 8485 Psychiatry Technician
   f. HM 8494 Deep Sea Diving Independent Duty Corpsman
