Veterans Priority
A great resource site for Veteran programs pertaining to employment and training.
Veterans Priority Resource Page

The United States Department of Veterans Affairs has an online resource for transitioning Service Members, Veterans and their dependents. The Veterans Employment Center is the first interagency tool that brings together public and private job opportunities with resume building and other career tools currently offered on a variety of websites together in one place. Through the Veterans Employment Center, Veterans, transitioning Service Members and military spouses are connected to high quality career choices by matching their identified skills with available public and private job opportunities. Employers can connect with high quality transitioning Service Members and Veteran applicants, set Veterans hiring goals and track their progress.
