Welcome back to school, parents! My name is Antonela Suzuki, and together with Martha Adamczyk, I am the Box Tops for Education™ Coordinator for Westview Elementary. Clipping Box Tops is an easy way to help earn cash and each one is worth 10¢ for our school! Just look for these pink squares on hundreds of products. All you have to do is clip them, check for a visible product acronym & expiration date, and send them to school.

Last school year, we earned $2,402.10 from Box Tops and used the money for several Westview PTO programs. We would love to support this effort again this year to ensure that we provide resources to serve the informational, educational, and recreational needs of our students. This school year, our goal is to earn $3,000.00 AND reach the #1 school rank for our area.

Become a Box Tops for Education Member and Support Our School - Be sure to become a member (it’s free!) by visiting www.boxtops4education.com so you can track our school’s earnings progress, get access to coupons, and learn each month about extra ways for our school to earn.

As we continue to stay organized this year, we encourage parents & students to use the Box Tops collection sheets or Ziploc bags. Please turn in your Box Tops at the mailbox next to the school office.

If you have any questions, please don’t hesitate to contact us. We are here to help make our school’s Box Tops for Education™ program a huge success this year.

Thanks for your help!
