13.	Indiana (IHMWA)	711
14.	Missouri (MMA)	449
15.	Wisconsin (WMA)	0

Every month we will be sending out a **Leader Board** all of the Associations who are partnering with **Move For Hunger**.

Let's get more movers excited to get involved! Include Move For Hunger in your monthly newsletters and emails. Facebook and Tweet about your movers' collections online. Set a goal for the amount of pounds you'd like your movers to collect. And most importantly, thank your movers regularly for their commitment to service in their communities.

By getting more movers to participate we can effectively bring relief to millions of Americans struggling to find their next meal. It is your support that will help drive our movers to make a difference in our nation's hunger fight. We can't thank you enough for your enthusiasm and we look forward to showing America all the good our industry is capable of.
