All students deserve access to quality public schools – it shouldn’t be dependent on your zip code, learning needs, or a lottery!

Join a coalition of parents, teachers, community leaders fighting for our public schools.

We Need:

LESS TESTING, MORE LEARNING!

Full and equitable funding for our schools – Don’t close them!

Real Parent, student and community voice and decision-making power in our schools!

We believe in fighting for the schools our communities deserve! Join us to find out more on how to fight back for our public schools!
